

CONTRACT CLEANING

Fluid Hygiene offers a reliable, professional and competitive contract cleaning service for all kinds of commercial premises.

20 YEARS OF SUCCESSFUL TRADING

Our reputation, built on almost 20 years of successful trading, is based on providing clients with dependable and effective contract cleaning and a level of service that surpasses the competition. Our experience encompasses a wide range of buildings and businesses, including offices, retail space, leisure centres, theatres, bars and restaurants and more.

We understand that in this competitive market, value for money is of paramount importance. With Fluid, you can be assured that your requirements will always be assessed on an individual basis to create a contract cleaning package that is tailored to your business, providing optimal service and value.

OUR UNRIVALLED CLEANING KNOWLEDGE

We keep up with all the latest commercial cleaning regulations, innovations, and working practices through our corporate membership of the British Institute of Cleaning Science (BICSC).

With our dedication to understanding health and safety regulations and the industry requirements for commercial cleaning services, we are able to provide appropriate solutions at a reasonable cost. You can be sure that when we clean your premises, we will pre-empt the concerns of insurers and inspectors, as well as making sure your customers, or the inhabitants of your property, experience a spotlessly clean environment.

“ A LOT OF PEOPLE CHOOSE THEIR CONTRACT CLEANERS ON PRICE ALONE. I LOOK FOR VALUE FOR MONEY AND EFFECTIVE CLEANING. THAT'S WHY I CHOOSE FLUID ”
